Helping To Beautify A.E.S.

One of the service projects of Miss White's 4-H Club is to help beautify the school with bulletin boards and posters for the months ahead. This committee is talking over plans for the bulletin board in the cafeteria. Shown above Mrs. Ella Robinson, cafeteria manager, is discussing plans with Michelle Seay, Mark Christian, Janet Thomas and Judy Doss.

They are quite interested in beautifying Appomattox Elementary School.

WILSON'S LANDING is the host farm for Alumno Ampagurey, who is on a two-year visit to the U.S. as a part of the Phillipine Agricultural Training Program.

Wilson's Landing is owned by Mr. and Mrs. John Wilson and primarily involved in the production of registered Hampshire and Yorkshire hogs.

Ampaguey is a graduate of the Mountain State Agricultural College La Trinidad, with a degree in Agricultural Education and a major in Agronomy. He taught for two years prior to coming to the states.

The purpose of this program is to equip the trainee with modern agricultural techniques - methods, machinery in order to cope with the expanding population and food needs of his country. Upon returning to the Phillipines the trainee is expected to share his knowledge with students and farmers in his area.

Last week the 75 trainees in the U.S. assembled at North Carolina State University for an in-service seminar. They visited the Agricultural College, several research stations in North Carolina and attended the North Carolina State Fair.

This program is sponsored by the Phillipine Department of Agriculture Through the Bureau of Agriculture Extension and the National 4-H Council of the Phillipines. In this country the program is coordinated by the National 4-H Foundation.

If there are those who would like to host a trainee, information can be obtained from the County Extension Office, J. A. Smith, Extension Agent responsible.

Put some jingle in Fidelity's 5% Christmas Club and have a good ole time.

Christmas is a good ole time. Relatives pop in full of cheer, the tree looks better than last year's, the kids are jumping up and down, the lights are brighter, and even Christmas shopping is fun because you know your heart will soar when that special person opens that special package. But if you're jingle-less, that good ole time might not be so good after all. You can avoid a jingle-less Christmas simply by joining Fidelity's Christmas Club. You put a little jingle (or a little green) in weekly for fifty weeks, and we'll add five percent interest, put your paid up club, to your stocking. And next year, when Santa's sleigh bells ring, you'll be listening. With cash.

HOURLY EMPLOYES REJECT UNION REPRESENTATION AT NAVAL NUCLEAR FUEL DIVISION

By a vote of 852 to 382, hourly employes at the Babcock & Wilcox Co.'s Naval Nuclear Fuel Division at Mt. Athos Thursday voted down an attempt to organize a union under the United Steelworkers, AFL-CIO.

In the election 66 percent of the 1,294 eligible employes voting said "NO" in response to the ballot question: "Do you wish to be represented for purposes of collective bargaining by the United Steelworkers of America, AFL-CIO?"

Representatives of the National Labor Relations Board (NLRB) supervised the election which ran from 6:45 a.m. to 11:a.m., and again from 3 p.m. to 7 p.m.

Thursday's election was the second to be conducted by the NLRB at the Mt. Athos facility in the past 17 months. On June 26,1974, hourly employes rejected the Steelworkers Union by a 2 - 1 margin.
